Better Information for Better Decisions

18th Annual Conference on the Adirondacks May 18-19, 2011, High Peaks Resort, Lake Placid, NY

Bill McKibben, Author, Educator, and Environmentalist. Bill is an American environmentalist and writer who frequently writes about global warming and alternative energy and advocates for more localized economies. In 2010 the Boston Globe called him "probably the nation's leading environmentalist". In 2009 he led the organization of 350.org, which coordinated what *Foreign Policy* magazine called "the largest ever global coordinated rally of any kind," with 5,200 simultaneous demonstrations in 181 countries. Bill is guest columnist for several publications and is the author of several books including **End of Nature** and his newest book **Eaarth**.

Robert B. Catell, Chairman of the Advanced Energy Research and Technology Center (AERTC) at New York State University at Stony Brook. Mr. Catell was formerly the Chairman and Chief Executive Officer of KeySpan Corporation and KeySpan Energy Delivery, the former Brooklyn Union. His career with Brooklyn Union started in 1958. He became Chairman, National Grid, U.S., following the acquisition, by National Grid, of KeySpan Corporation. Bob is a member of the board of directors/trustees of several civic, industry, and business organizations. Mr. Catell received both his Bachelor's and Master's degrees in Mechanical Engineering from the City College of New York and is a Registered Professional Engineer.

Hon. Joseph J. Martens, Commissioner, NYS Department of Environmental Conservation. Since 1998, Mr. Martens has served as President of the Open Space Institute, directing and overseeing land acquisition, sustainable development, historic preservation and farmland protection. Previously, Mr. Martens served as Deputy Secretary to the Governor for Energy and the Environment from 1992-94 and before that Assistant Secretary from 1990-92. He is the Chair of the Olympic Regional Development Authority and also chairs the Adirondack Lake Survey Corporation. Mr. Martens studied Resource Economics at the University of Massachusetts at Amherst and received an M.S. in Resource Management from the State University of New York, College of Environmental Science and Forestry at Syracuse University.
