

Partnership Advisory Council Membership Levels and Benefits--2009

The Adirondack Research Consortium (ARC) promotes research-based knowledge to guide efforts toward achieving an environmentally and economically sustainable Adirondack Park. The ARC works in partnership with academic and research institutions, government, businesses, organizations, and individuals. The ARC's Partnership Advisory Council, Chaired by Dr. Ross S. Whaley, meets annually to advise the ARC on programs, policies, and conference content. Sustaining, Sponsoring, Supporting, and Contributing Levels include membership on the Council.

SUSTAINING PARTNERSHIP - \$5000

1. Membership on Partnership Advisory Council and annual organization membership in ARC
2. **Annual Conference on the Adirondacks:**
 - Exhibit Space to showcase your organization's services or products in the Adirondacks
