

**30<sup>th</sup> Annual Conference on the Adirondacks**  
**April 15<sup>th</sup> and 16<sup>th</sup>, 2026**  
**High Peaks Resort, Lake Placid, NY**

**“Key Issues Shaping the Adirondack Future”**

This year’s program tackles some of the region’s most significant issues—from the expansion of mass timber and new energy technologies to wildlife impacts, water quality challenges, and partnerships with Indigenous communities.
